

SC-KOI Food Acrospire 3

SC-KOI Food Acrospire 3
SC-ACRO 3

The high quality of our KOI and the many KOI show awards received can also be traced back to the SC-KOI Food being used at our farm.

Acrospire 3, a good quality food, has a diameter range from 2 to 4.5 mm and is an allround food for healthy and strong KOI.

SC-KOI Food is shipped in containers which also represent the smallest units to be ordered. Please see the CONTAINER SHIPPING section for different container sizes and shipping costs.

SAMPLES:

It is possible to send samples of the food via airmail. The price for a one-time sample which consists of all 3 types of SC-KOI Food in one 60 kg box is USD 250.- (excluding shipping and handling). Please see the SHIPPING SECTION for airfares of 60 Kg boxes.

For your convenience, we will gladly provide you with a quotation on the sample to any destination specified.

Our customers have to inform us on shipping regulations and forward necessary customs and health papers to us.
